School Tour Fun!

For the last seven years, Reedsburg School District teachers and students alike have enjoyed visiting the village every year. This year we will host about 224 4th graders in the Reedsburg Area and around 40 1st graders. They enjoyed learning about the cabins and what it was like to live in them. They especially like the Blacksmith Shop, where the blacksmith, Terry Kruger, shows them how blacksmithing is done. Afternoons are spent playing old fashion games and making a craft and an old-time school. We thank Pam Tourdot for coordinating this effort for the last few years!

President's Voice...

Hello, Members and Reedsburg Area Historical Society Supporters!

This is a massive year for the Reedsburg Area Historical Society! We plan to construct our log barn, donated to the Reedsburg Area Historical Society in 2019. Last summer, we installed a concrete slab supporting the log barn. We also had a log cabin donated from Blue River, Wisconsin, to help us repair the Church building and some other repairs needed around the village. If you are willing to help with this project financially or by helping build it, please let us know! Thank you, everyone, for your continued support of the Reedsburg Area Historical Society!

I look forward to seeing you around the village!

Heritage Day Rendezvous

Heritage Day Rendezvous will be held on August 25-27th, 2023. There were about 30 camps in attendance in 2022. Reenactors will dress in traditional clothing and use tools such as cast iron pans for cooking to show what life was like during that time period. It is a great way to show people how everyday life was run back then. The camps will be spread throughout Pioneer Log Cabin Village for the public to visit the reenactors and ask them questions about life during the 1800s. The event is family-friendly, and attendees always take an interest. Andy Van Sickle is the event chair, and if you want to be a camper for the event or want to help out, you can contact him at 608-524-4245.
